

I Love to Bless Your Name

Randall Conner

There is a joy in praise!

I Love To Bless Your Name

I can only give my praise and to serve You all my days
But I can't repay Your mercy and your grace - Oh, what You've done for me
But receive this offering of my grateful thanksgiving
Lord I worship You - Hallelu. Somehow mere words can't say
With all of my heart Lord, I love to bless your name

Let my praises reach Your throne. May You hear my joyful moan
I will glorify the Lord most high - Oh, worthy is Your Name
Let the deepest part of me magnify the King of Kings
May I worship You in spirit and in truth while I obey Your Word
With all of my heart Lord I love to love You

I give my love; I send up my peace, I give my praises
I love to bless Your name

Almighty God, Prince of Peace - I love to bless Your Name
Alpha-Omega, Beginning and the End - I love to call Your Name
The Lamb of God, The Savior of my soul - I live to bless Your Name
Everlasting Father, Jehovah God - I long to love You

I give my love, I send up my peace, I give my praises - I love to love You
I give my life, A living sacrifice, for this is my service - I live to love You
I give my heart, my body and soul. I owe You my all - I long to love You
I give my love, I send up my peace, I give my praises - I love to bless Your name
