

# Songs from the Word

In the beginning was the Word, and the Word was with God, and the Word was God. He was with God in the beginning. Through him all things were made; without him nothing was made that has been made. In him was life, and that life was the light of men. The light shines in the darkness, but the darkness has not understood it.

He was in the world, and though the world was made through him, the world did not recognize him. He came to that which was his own, but his own did not receive him. Yet to all who received him, to those who believed in his name, he gave the right to become children of God — children born not of natural descent, nor of human decision or a husband's will, but born of God.

The Word became flesh and made his dwelling among us. We have seen his glory, the glory of the One and Only, who came from the Father, full of grace and truth.

## Songs from the Word

Allow me to praise my Lord and Savior Jesus Christ: In this world, space and time bind us. We can remember the past and plan for the re, both of which are but an instant behind us and before us. However, we can only live in the present instant. We can only learn from what has past. We have limited control over what is happening in the present. We can't control the future. However GOD is in control of all things.

From moment to moment, we don't know if we will live or die. We can plan and work hard to achieve our goals and to make our dreams come true but we don't know for sure if the seeds we sow will flourish or fail. We can only trust in GOD who gives life to our seeds of effort. He has the beginning and ending WORD.

The very nature of this world is chaos. Everything is born to decay and pass away. But GOD is everlasting. Many of the things that seem so substantial and important to us are the things that pass away. We tend to grasp onto that which is physical and tangible. We forget that real substance is in Spirit and in Truth. Our hope and stay is confirmed by evidence that we can't see with physical eyes, but with spiritual eyes. Therefore, we must be careful when fighting to achieve our goals and dreams not to bypass one important TRUTH - Without God, we would be nothing.

We can count on God. In a world so full of things that let you down, it's refreshing to have a Foundation upon which you can trust and hope - a Friend who is infinitely dependable. Our Friend is always present, always looking out for a way to draw us into His kingdom. The Lord, our GOD has made a way for us.

Throughout the WORD of God, are the jewels of promise that our Lord has given. Through faith, these promises give us the strength to endure. Because of our risen Savior, we have hope even in the darkest situations for we know that heaven and earth shall pass away, but the word of GOD is everlasting.

It is my desire to encourage you to search for and hold on to the promises of GOD in every aspect of your life so that you may endure till the end and be an example to others until the "First Sight" of His return.

May GOD bless you and keep you.

## 1. In The Beginning (narration)

In the beginning God created the heavens and the earth, and God saw that everything he created was good. His goodness stretched forth throughout the infinite depths of the universe. The extension of Gods glorious personality manifested itself within the elegance and beauty of his angels. Lucifer, the highest angel, was created magnificently to lead the angels in worship and praise of Most High God. Over a period of time, Lucifer became haughty - high-minded whereby he decided to exalt himself above his creator and soon encouraged other angels to follow. And there was war in heaven: Michael and his angels fought against the dragon and the dragon fought with his angels, and prevailed not; neither was their place found any more in heaven. And the dragon was cast out. That old serpent, called the devil, and Satan which deceives the whole world: He was cast out into the earth, and his angels were cast out with him. Satan and his angels have no choice in; have no part of the sharing Gods everlasting love. Satan's future forecast is a terrifying punishment to burn in the lake of fire and shall be tormented day and night forever and ever. Not willing to accept his fate, Satan and his legion of demons fixed in their hearts to make war against God's people. The rebellion has been launched to undermine the very existence of God to all the people who inhabit the earth. Knowing that his time of deception is short - that time is soon coming to an end, he has stepped up his campaign of spiritual warfare tactics - to destroy our young and their chance of existence through unclean and menacing spirits of violence, drugs, disobedience, sexual perversions, and any other ungodly thing. Let us all thoroughly understand that no weapon formed against the will of God shall ever prosper. God has his own plan, He has placed in the world guardian angels protecting the saints from the hidden dangers and deceptions that try to consume and overcome his people.

## 1. Remember The Promises

Remember the promise. Remember the promises of God  
Count the blessings. You gotta, gotta remember the promises of God

Everlasting to everlasting - a mighty fortress is our God  
The earth trembles at His presence. He watches out for me  
When the enemy approaches, Jesus is my Shield and Sword  
In the midst of the raging battle, I have the victory  
Remember the promises of God Count the blessings, blessings in your life  
Remember the promises of God  
He's bigger than all your problems. There is nothing that God can't do  
Cast your ev'ry care on Jesus. He will bring you through  
Though the mountains be removed, stand strong and faithful to the Lord  
And when He comes on clouds of glory, you'll receive your reward

Those who wait on the Lord shall renew their strength  
They'll soar - the skies on eagle's wing  
They shall run and not be weary  
They shall walk and they shall not faint  
I will never leave you nor will I forsake you

Be still and know that He IS God  
Though I walk through the valley of the shadow of death  
I will not fear for He's with me

(Four times)

Mighty God, Awesome God, Prince of Peace, King of Kings

Remember the promise. Remember the promises of God  
Count the blessings. You gotta, gotta remember the promises of God

### The Son Of God

A Child is born and His name is God with us  
Yes in Him we put our trust 'cause He'll always be with us  
He will be with us  
He came down to this place to show us all His grace  
But for Him there was no space in the inn  
And the world was made by Him yet and they knew Him not

The Son Of God - they knew Him not - the Son Of God  
And He healed the lame and He feeds the multitude  
Oh His Word will see us through to the light  
And His love will magnify the Father's love  
Yet they listened not to the riches in His words  
And they nailed Him to the cross - and they pierced Him in His side  
But He knew He had to die for us

The Son Of God - Laid down His life - The Son Of God

And He rose again - saving us from all our sins  
Only if you let him in - today  
He'll wipe away the tears upon your face

The Son Of God - He's the King of Kings and Lord of Lords  
The Son Of God - He's the Savior of our souls  
The Son of God - He is Lord and He is God

The Son of God

### Only You

There was a time I stood alone - In the battle on my own - I refused to let You in  
But in Your unchanging grace - You made a way - And I put all my trust in You  
Only You Provide my ev'ry need, Only You Can truly set me free  
Only you Can hear my ev'ry prayer, Only You Can wipe away the tears  
I know my life depends on You - In this war I'm going through - For Your love has been my shield  
And You work it out for me - I have the victory - And I put all my trust in You  
Only You Provide my ev'ry need, Only You Can truly set me free  
Only you Can hear my ev'ry prayer, Only You Can wipe away the tears  
Only You, Jesus, Only You, Only You, Jesus, Only You  
You came down to see about me whenever I was in need

You have given me so much joy - more than, more than I ever, ever had before  
And I put all my trust in You

### The Cover of Your Wings

Hear my cry O Lord. Attend unto my prayer  
From the end of earth I cry to You. When my heart is overwhelmed,  
Save me in your loving arms and I will trust the cover of Your wings  
For You have been a tower for me - a Shelter in the storm  
And I will trust the cover of Your wings  
For You have been a tower for me - a Shelter in the storm  
And I will trust the cover of Your wings

Search my heart O Lord. Transform me from within  
Make my life a song of praise to You. Live inside my heart and soul  
Bless me with Your loving grace and I will trust the cover of Your wings  
For You have been a tower for me - a Shelter in the storm  
And I will trust the cover of Your wings  
For You have been a tower for me - a Shelter in the storm  
And I will trust the cover of Your wings

My soul waiteth upon the Lord for He is my salvation  
My soul waiteth upon the Lord. He is my Inspiration

### It's Time

Look at your life and think about your salvation  
Have you heard the good news? Christ is calling to you  
Calling for you to boldly come into His presence  
To be saved by His grace and be cleansed from sin's disgrace

Oh his truth will set you free (He'll show you the way)  
To His dwelling place, to His mercy and grace

The time is now - Time to open up your heart  
The time is now - Now it's time to let Him in  
The time is now - Today if you hear His voice  
The time is now - Listen, and harden not your heart

The time is now for you to make a decision  
Choose Jesus today, don't wait too late  
Tomorrow is not guaranteed for your living  
Just believe in His way, and invite Him in without delay  
He can save your life today (He'll show you the way)  
To His dwelling place, to His mercy and grace

The time is now - Time to open up your heart  
The time is now - Now it's time to let Him in  
The time is now - Today if you hear His voice  
The time is now - Listen, and harden not your heart

Go loved you so much, He gave His only Son  
Now if you believe in Him, The promise to you is everlasting life  
Jesus did not come to condemn this world  
But that through Him the world would be saved  
So it's time now to surrender to His love

The time is now for deliverance - The time is now for healing  
The time is now to (praise/worship/adore/glorify/honor) Him  
The time is now for redemption
